

Consider that you're working as a Senior Product Manager at **HealthieMe**, and you want to launch the smartphone app, for Android to start with. As the sole product manager working on this app, you have a few ideas regarding the design and functionality that you'd want to incorporate. Based on these functionalities which you want to include in the app, sketch the basic layout of the application and design the wireframes for the HealthieMe app. The guidelines for this assignment are:

Part-1

1. Create the required sketches and place the screenshot of each screen on relevant slides on the right side. (**Hint:** Add the sketches of all key functionalities and add any other features based on your understanding. You can duplicate and add more slides as per your convenience to show the sketches of the additional features you wish to add.)
2. Add a small description of the features/buttons/redirections of the pages on relevant slides on the left side. (**Hint:** Also show a navigational flow of the different pages/sketches i.e. how the different pages are linked to each other)

Part-2

3. Create the required wireframes and place the screenshot of each screen on relevant slides
4. Prepare a slide showing the navigational flow for your wireframes

Feel free to add more slides as needed.

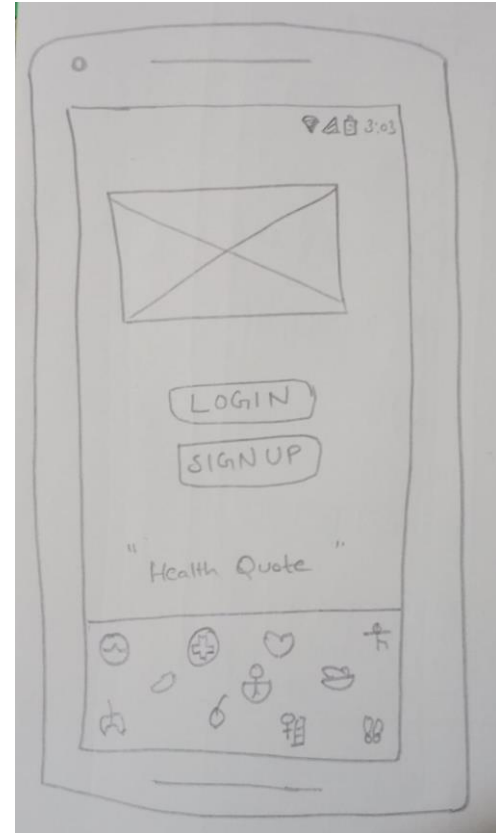

Assignment

Part-1 Sketching

Login/Sign up Page

Add a small description of the features/buttons/redirections of this page. (Optional)

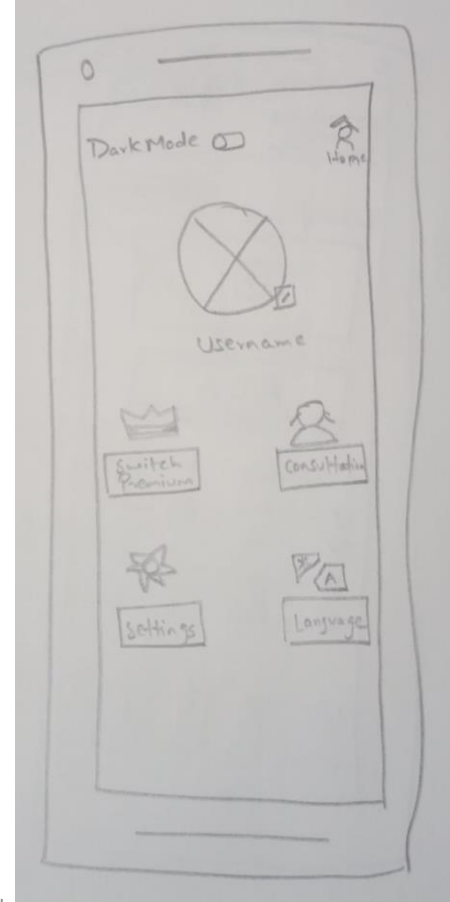

Personal Details Page

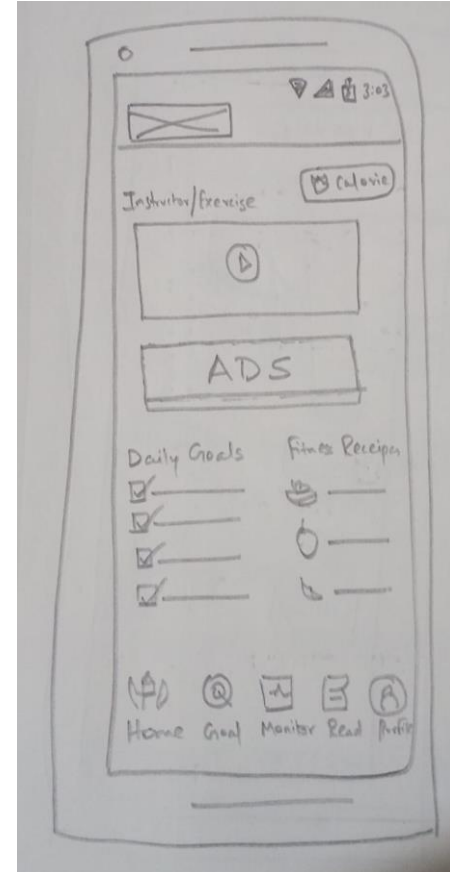

Add a small description of the features/buttons/redirections of this page. (Optional)

A hand-drawn sketch of a mobile application interface for a 'Personal Details' page. The sketch is enclosed in a rounded rectangle representing a phone screen. At the top, there is a header bar with a small house icon and the text 'Personal Details'. Below the header, the form is organized into several sections: 1. A row with two input fields labeled 'First Name' and 'Last Name'. 2. A single input field labeled 'Mobile Number'. 3. A row with three input fields labeled 'Height (")', 'Weight (kg)', and 'Blood'. 4. A section for 'Diet Preference' with three radio button options: 'OMNIVORE', 'NON-VEG', and 'VEGAN'. 5. A single input field labeled 'Location'. 6. A single input field labeled 'Username'. The sketch is drawn in a simple, illustrative style with visible lines and text.

Add a small description of the features/buttons/redirections of this page. (Optional)

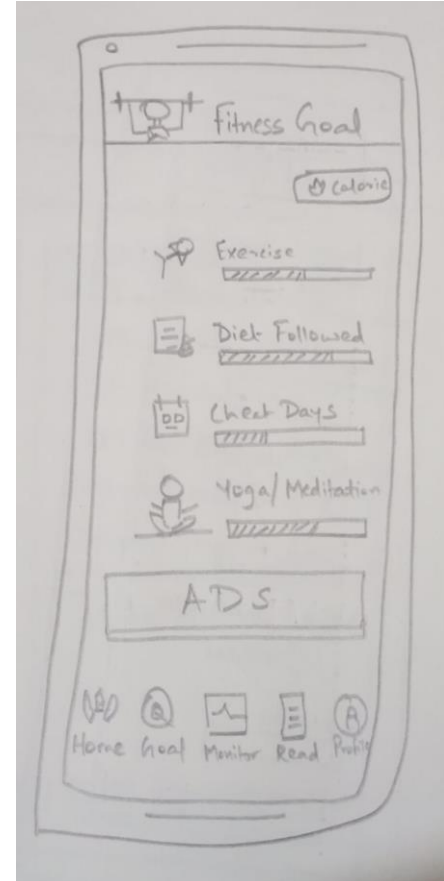

Add a small description of the features/buttons/redirections of this page. (Optional)

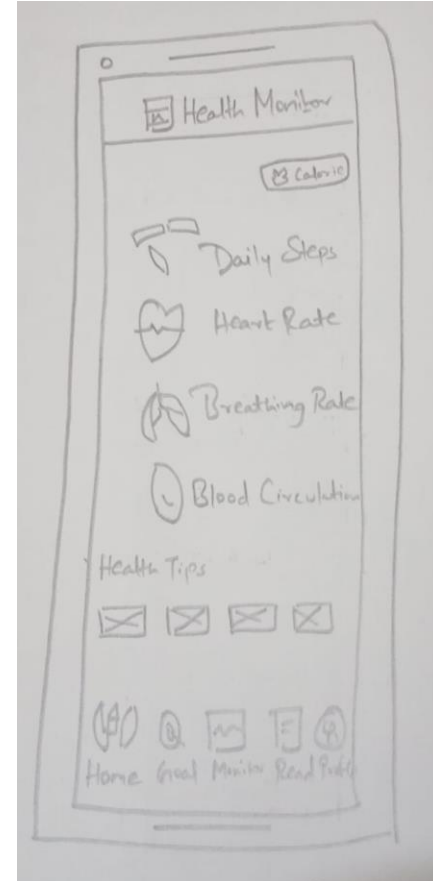

Fitness Goals Page

Add a small description of the features/buttons/redirections of this page. (Optional)

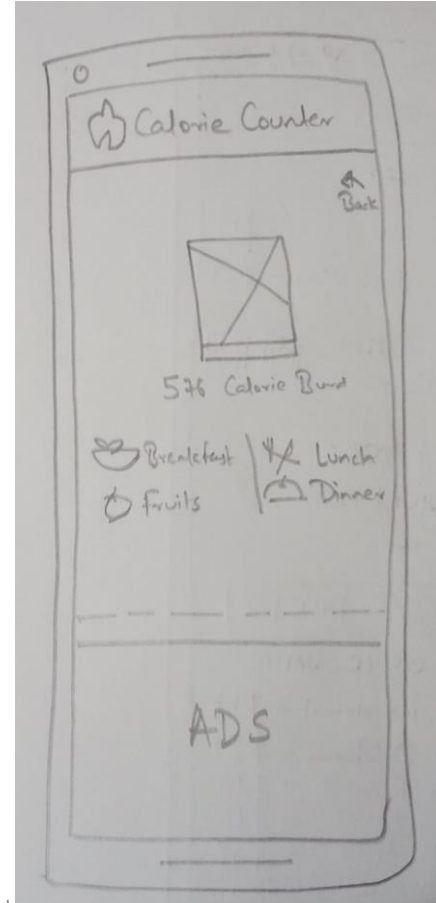

Health Monitoring Page

Add a small description of the features/buttons/redirections of this page. (Optional)

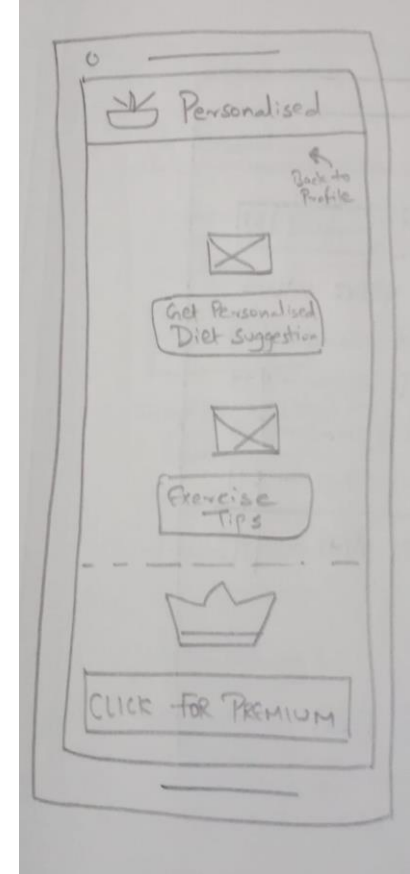

Calorie Counter Page

Add a small description of the features/buttons/redirections of this page. (Optional)

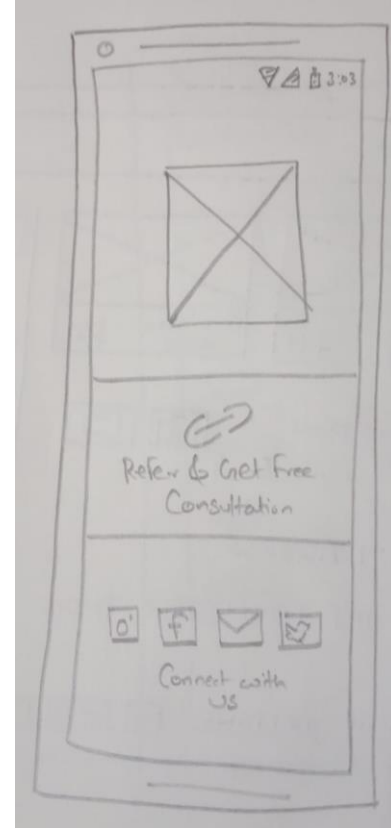

Personalised Suggestions Page

Add a small description of the features/buttons/redirections of this page. (Optional)

Add a small description of the features/buttons/redirections of this page. (Optional)
